

*This year, at Lesedi
la Batho, there are
just three things
we want for
Christmas!*

Because of the nature of our work, our precious funding always goes directly to ensuring the successful operation of our projects, in order to improve the lives of those we serve in Mabopane to the best of our ability. We believe we are called to this mission, we are grateful, and we whole-heartedly seek to fulfil this mission, every single day. This does mean that, unfortunately, we have little wiggle room for funding the “nice stuff” we often wish we could to bless our staff and our beneficiaries! As we approach Christmas time and the holiday season in South Africa, we have a dream to bless our organisation, and we need your help. Please so kindly consider contributing towards one of our three “gifts”, and make your Lesedi La Batho family’s Christmas time extremely special this year!

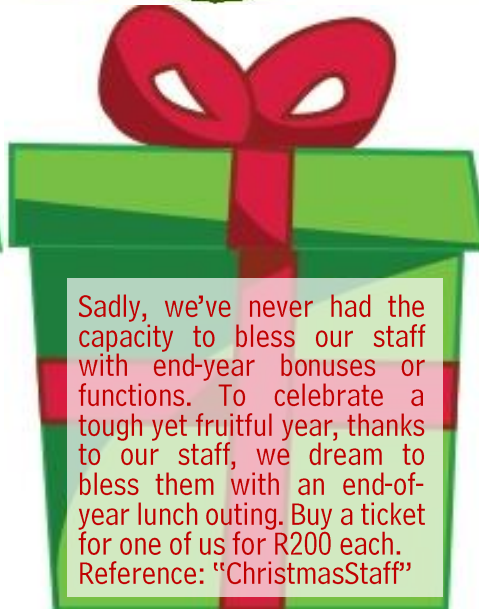

Lesedi la Batho
Bank: Standard Bank
Account number: 012200514
Branch: 01244515 The Grove
Swift Code: SBZA ZA JJ
(Please include the relevant
reference for your gift,
as per below)

PayPal

While we do our best every day to gift the children of our day care centre with love, care & education – this Christmas, we wish to gift them individually with a special something! Buy a gift for a child for R150. Reference: “ChristmasDaycare”

R150/\$10

Sadly, we’ve never had the capacity to bless our staff with end-year bonuses or functions. To celebrate a tough yet fruitful year, thanks to our staff, we dream to bless them with an end-of-year lunch outing. Buy a ticket for one of us for R200 each. Reference: “ChristmasStaff”

R200/\$14

Throughout 2018 we’ve written to you about Mathlodi and her children, beneficiaries who do not have a home. For R10 000, we can build them four walls and a place to call home this Christmas! If 20 people donate R500, we can reach our target. Reference: “ChristmasMathlodi”

R500/\$35

Thank you

for considering blessing Lesedi La Batho this Christmas time. We are so grateful for your continued support!
